Project Name: Cater Water Treatment Plant Advanced Treatment Solutions (Ozone) Project

Contact Information:

City Project Engineer: James Winslow

Phone: (805) 897-1908

E-mail: JWinslow@SantaBarbaraCA.gov

Project Description:

In accordance with Phase II of the Disinfection Byproducts rule, modifications to the Cater Water Treatment Plant (WTP) will be made which include the addition of Ozonation as a pre-oxidation step.

Project Progress:

The Project was submitted to Building and Safety for review and permitting. The State Department of Public Health has reviewed the plans and made some comments that will be reflected in the final planset. Bidding is anticipated to occur in the Fall of 2010.

Current Schedule:

Estimated start of construction: February 2011

Duration of construction: 24 months
